**Loving God,
We remember the generations of women who
have gone before us.
We remember their wisdom and their love.
We are grateful for these gifts given by You.**

**We remember the generations of women surrounding
us now, sharing their wisdom and their love.
We are grateful for these gifts passed on to us.**

**We offer our prayers to the generations of women
who come after us.
They will build on the wisdom and love of past generations.
They will be the beacon of light for the future.
